25X1

2 June 1965

MEMORANDUM FOR THE RECORD

Morning Meeting of 2 June 1965

There was a current intelligence briefing.

25X1

[redacted] for DDS&T noted the status of the BLUE SPRING program, the weather over China, and the possibility of objections by other agencies to the fulfillment of [redacted]. He also noted that Admiral Nimitz was here for a meeting.

Bross reported that he was still trying to contact Dr. Land. He noted that he was preparing a letter for the DCI's signature to Vance. Bross was advised to study the 15-year intelligence projection and to get advice from the Navy and the Air Force on how to conduct this exercise.

Houston noted the DCI had appointments with Representative Rivers at 7:15 and with Representative Mahon at 8 a.m. on 3 June. DDI will prepare papers.

Earman reported on the status of certain photographic interpretations centers. A glossary on naval terms is to be prepared.

25X1

DDS discussed the general issue of our providing [redacted] for the [redacted]. He also noted agreement on transferring civil service retirement funds to the Agency's system. He also noted progress on financial accounting for [redacted] Agency organizations.

Kirkpatrick was advised to make internal Agency distribution of the 15-year plan on a need-to-know basis. He also stated that he had a cost analysis of the [redacted] crisis.
